

HAYES BARTON UNITED METHODIST CHURCH

Information form for The Journey

Thank you for considering to share your experience(s) during **The Journey** of becoming more like Christ. The Evangelism committee is proud to sponsor this ministry. We pray that it will allow our members to get to know each other better and connect to one another in a deep and meaningful way. As we experience the love of Christ in the life of Hayes Barton, the sharing of our faith stories will help strengthen each other along the way. Please tell us about a defining moment or a spiritual encounter in your faith walk. Here are some questions to help you get started:

- Have you overcome a hardship that impacted your faith?
- What can you share with others that will empower or encourage them to overcome a similar situation?
- When have you felt alone in your faith journey and what called you back into fellowship with God?
- How have you encountered God at Hayes Barton?
- How has stewardship or service to Christ changed your life?
- List resources that provided you strength – another church member, scripture, devotions, etc.

As you tell your story, we ask that you go beyond the facts and share your thoughts and feelings. This will allow your story to connect with others in fresh and unique ways. Please include photo(s) that help illustrate your triumph or your struggle. Your article and photo(s) will be published in a future newsletter and on the website under the **Evangelism – The Journey** section. Please e-mail your article and photo(s) to Lori Constantino mconstantino@nc.rr.com or place the information in the Evangelism Committee mailbox, directed to Lori's attention. If you prefer, the story may be submitted anonymously. Contact Lori by phone 233-2066 or e-mail if you have questions.

Thank you for sharing your story.
