

I have been at the church for my whole life, nine years.

From church I have learned God will be with me every day of my life.

My two favorite things are Christmas Eve candle light service and Friday night children's movie and fellowship night.

I remember getting my Bible in first grade and I love reading it still. Also I like 11 service. When I go I still go down with Ms Karen. I like how she talks about a different story lesson every single time.

I know I can talk to this church about anything. That is why I like being a part of this church.
