Are you a voracious reader? Do you find beauty and mystery in short stories? Join Pastor Sarah on Wednesdays from 6:30-7:30 p.m., Oct. 15 – Nov. 12 (except Oct. 29) in the Parlor, as we discuss four riveting short stories. We'll plumb them for theological connections, but we'll also just plain appreciate their beauty. Sign up here to reserve your spot and get the first reading. Email sswandell@hbumc.org with questions.

In 1956, the SS Andrea Doria sank off the coast of Nantucket after colliding in dense fog with the Swedish liner MS Stockholm. More than 1,650 passengers and crew were rescued. The original stained-glass windows, intended for the nave of our sanctuary, however, were not. They remain at the bottom of the Atlantic Ocean to this day. Soon after the accident, J. Wippell & Co. of London and Exeter began work on replacements. The new windows arrived years later and were dedicated on February 3, 1965.

Our closet is getting full! Please stop by our Lost and Found near the Welcome Center and check to see if you have any missing items. Thank you!

CHURCH ACCESS

If at any time you or your group need access to the church building after normal business hours, please contact [Marshall Parker](#). There is a [Facility Access Agreement](#) that must be filled out, and you can access the form. Feel free to fill this out and return to Marshall. Thank you!
